## President's Corner

THANK YOU TO OUR COACHES AND ASSISTANT COACHES

BASA is very fortunate to have the dedication and the commitment of over ninety (90) coaches and assistant coaches this season. This number includes both in-house and travel. Think about that for a minute. Ninety ladies and gentlemen giving their time and energy, while sharing their knowledge and experience to our kids, VOLUNTARILY.

Let's break that down a bit further.

**TIME** - Anywhere from 5-15 hours a week for practice, phone calls/emails, games

**ENERGY** - Patience and instruction, guidance and reinforcement (did I mention patience?)

**KNOWLEDGE** - Most have either played soccer and/or coached other sports

**EXPERIENCE** - Practically all have several years of coaching experience

Now, of all of those listed above, I happen to think the time factor is the most significant. Why? I believe that time is our most precious commodity. These coaches and assistant coaches are taking time away from their families to help other people's kids. Sure, a lot of these guys and gals are coaching their own kid; but I'd venture to say a lot of them are doing it just because they love soccer and they enjoy coaching.

You certainly have to respect the fact that without them, BASA would not be. So, on behalf of the entire board of directors, I would like to thank each and every one of our coaches and assistant coaches. You are sincerely appreciated.

Janet Miklos  
President

P.S. If you are interested in coaching in the Fall session, please contact our Coaching Director, Matt Jena at [mjena@comcast.net](mailto:mjena@comcast.net)
